

GERMOCARE LINE - TECHNICAL DATASHEET

GERMELLA DETERGENTE INTIMO

GERMELLA DETERGENTE INTIMO is a liquid detergent for intimate hygiene. Its particular composition is enriched by the presence of Thymus, a natural antibacterial, associated to Chamomile, Sage and Calendula with a calming and emollient action. The prolonged use of GERMELLA DETERGENTE INTIMO prevents therefore inflammation and irritation of the skin and the mucous membranes. It leaves a pleasant fragrance.

GERMELLA DETERGENTE INTIMO has a pH 3.5 that helps to maintain the natural defenses of the mucous membranes, without altering the microbial flora.

GERMELLA DETERGENTE INTIMO is suitable for female intimate hygiene, even during menstrual cycle, also for men. It can be used as a normal personal care product and thanks to its practical packaging it can also be used outside (in gyms, swimming pools, etc.).

INSTRUCTIONS FOR USE

Use as a normal detergent.

For intimate hygiene, use a quantity of product directly on the palm of your hand or dilute according to the desired dose of product (3-4 tablespoons per liter of water). Rinse with plenty of water to eliminate any residual product.
